

TSI Group, Inc. Appoints Steve DellaSala Regional Account Sales Manager

North Hampton, NH, June 1, 2010 –TSI Group, Inc. has named Steve DellaSala regional account sales manager for TSI Technologies Group—East. DellaSala reports directly to Mike Mastergeorge, president of Brazonics Inc., a TSI Group, Inc. Company.

DellaSala leads the east coast sales operation and is expanding TSI’s customer base in electronics packaging solutions for military and defense, commercial aerospace and commercial industrial markets.

“Steve’s experience, industry knowledge and fresh prospective will help grow TSI’s customer base in new and existing markets for us,” states Mastergeorge.

With over 20 years of experience in the industry, DellaSala began his professional career at L3 Advanced Laser Systems as a mechanical and electro-optical engineer. Since then, DellaSala has had several different roles from project manager to sales engineer for organizations such as Bombardier Corp and Control Micro Systems. During his combined 13 years with Russell Associates and Lytron, DellaSala played a vital role in supporting major defense and military OEMs with their aluminum brazed hardware requirements. He has a refined understanding of the design and manufacture of custom cold plates, heat exchangers and chassis.

DellaSala received a Bachelor of Science degree in mechanical engineering from the University of Central Florida.

About TSI Group, Inc.

TSI Group, Inc. is recognized as a world class leader with a #1 market position in thermal management and electronics cooling. Specializing in aluminum brazements, chassis, enclosures, heat exchangers and full box build and interconnect capability.
