

FOR IMMEDIATE RELEASE

### **PMF Appoints Mark Hagen Engineering Manager**

Hanover Park, IL, November 20, 2007 – Performance Metal Fabricators, Inc. (PMF), a TSI Group company, is pleased to announce the appointment of Mark Hagen as engineering manager.

Mark will act as lead on all engineering efforts and help to underscore PMF's reputation for engineering expertise. He will also oversee estimating and project management activities.

Blair Gaida, president of PMF, states, "I am enthusiastic about Mark joining the PMF team. He has a rich history in this industry and has worked in almost every capacity within the sheet metal business. I am certain he will be a major asset to PMF as we continue to grow our business."

Prior to PMF, Mark had a long career at Hagen Metal Products, where he was the general manager. Mark earned a Bachelor of Arts degree from the University of Illinois.

Performance Metal Fabricators, Inc. (PMF) ([www.performancemetal.com](http://www.performancemetal.com)) serves commercial and aerospace markets with just-in-time delivery of high quality, precision sheet metal assemblies, enclosures and components.

TSI Group, Inc. ([www.tsigroupinc.com](http://www.tsigroupinc.com)) is a world-class supplier of high quality contract manufactured and custom engineered electronic assemblies and thermal management products, enclosures and interconnect solutions for military, commercial and security applications.
