

FOR IMMEDIATE RELEASE

**TSI Appoints Mohamed Shahin President of Sandy Bay Machine, Inc.**

September 5, 2008, North Hampton, NH—TSI Group, Inc. is pleased to announce the appointment of Mohamed Shahin as president of Sandy Bay Machine, Inc. (Sandy Bay), located in Rockport, MA. Sandy Bay specializes in all elements of metalworking with an emphasis on machining radiofrequency, microwave and millimeter wave and fiber optic components.

Greg Tucker, CEO of TSI Group, Inc. states, “Mohamed’s strong leadership, technical and communication skills combined with his abilities in program management made him a clear choice for leading Sandy Bay. I am confident that Mohamed will be successful in meeting new challenges and taking Sandy Bay to the next level.”

Prior to becoming president, Mohamed was general manager of Sandy Bay and has worked there since 1999. He earned his bachelor’s degree in computer science and information studies from Salem State College in Salem, MA and his masters in international business law from Ainshams University in Cairo, Egypt.

TSI Group, Inc. ([www.tsigroupinc.com](http://www.tsigroupinc.com)) is a world-class supplier of high quality contract manufactured and custom engineered electronic assemblies and thermal management products, enclosures and interconnect solutions for military, commercial and security applications.
