

FOR IMMEDIATE RELEASE

Woven Electronics Appoints John Aram Director of Sales

July 2, 2008, Simpsonville, SC—Woven Electronics, LLC, a TSI Company, is pleased to announce the appointment of John Aram as director of sales for the western region. John's primary responsibilities will be to strategically and tactically grow Woven Electronics' military, commercial and security customer base.

Scott Chester, vice president of business development for Woven Electronics states, "John brings significant experience in sales management as well as a host of strong relationships in the defense and aerospace market place to Woven Electronics. These relationships are a result of John's respected reputation and I am certain the he will significantly increase Woven Electronics' presence in the western region."

John joins Woven Electronics following a successful career in the aerospace and defense markets. He worked for Meggitt Sensing Systems and a strategic account manager responsible for the introduction and placement of all product lines to key aerospace accounts. John has also worked for Del Global Technologies, Power Conversion Group and several other high profile defense and aerospace supply companies.

Woven Electronics (www.wovenelectronics.com), a TSI Group company, is the leading source for analog and digital custom-engineered, patented interconnect solutions including woven cable configurations, unique mechanical and electrical packaging, and precision fiber optic designs for mission-critical applications.
