

FOR IMMEDIATE RELEASE

TSI Announces E.J. Mondor as the New President of Woven Electronics

NORTH HAMPTON, N.H., March 27, 2007—TSI Group, Inc. is pleased to announce the promotion of E. J. Mondor as President of Woven Electronics, effective as of March 26, 2007.

E. J. has served as Vice President and Chief Operating Officer since March 2004 and as General Manager from 1998 to 2004. He has demonstrated an exceptional capability and readiness to lead the company.

Gregory Tucker, President of TSI, states, “E. J.’s values, experience and strong technical background will be invaluable as Woven pursues new opportunities and technologies that are critical to the company’s continued growth and to overall TSI strategy which provides our customers a total solution to their mission critical products.”

The TSI Group is a world-class supplier of high quality custom engineered electronic assemblies, cables, components, and enclosures for security, military and commercial applications. Our reputation for creating innovative solutions to mission critical applications has made TSI the company OEMs and end users alike turn to for dependable results.
